

Huron Shores Hospice

Message from the Board of Directors

March 16, 2020

Re: COVID-19

Effective immediately all programs of Huron Shores Hospice will be cancelled until further notice, due to the precautions outlined by the Ministry of Health and our local Health Unit. This will include all Grief Recovery groups, Death Cafes, training, orientation, committee and board meetings.

The hospice suite remains open for admittance and all potential residents will be screened by our Medical Director, Dr. Damian Gunaratne for COVID-19 before admittance. We will work with the family on a case-by-case basis regarding visitation and the required support of their loved one. Comfort Care Volunteers are not permitted to provide comfort care in the suite at this time.

We apologize for any inconvenience this may cause. It is our hope this will help keep everyone in our community safe.

Please check back for further updates. We will return to our normal programs as soon as it is deemed safe to do so.

We appreciate your patience!
